DID YOU KNOW?

NEWS FROM AROUND UI HEALTH

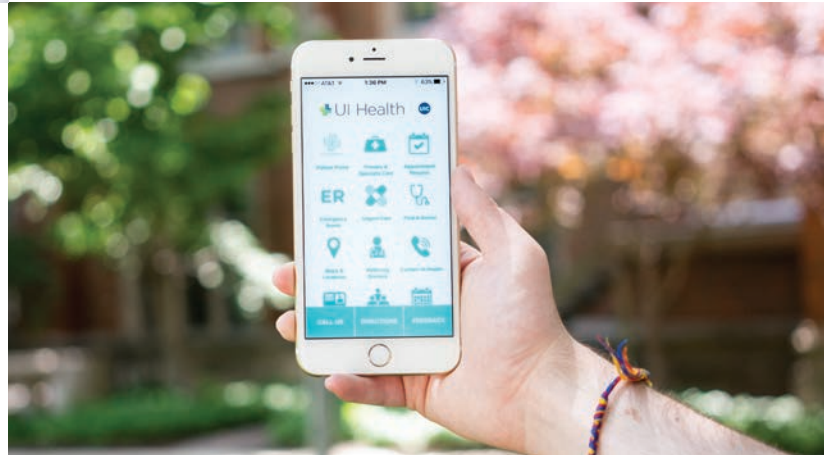

The UI Health Brainstormers team again completed the Ragnar relay from Madison to Chicago! The team raised \$4,675 to benefit The Brain Aneurysm Foundation and support Illinois brain aneurysm survivors. Thank you to the participants and their supporters from all across UI Health!

On May 28, UI Health and the Chicago Fire Soccer Club partnered to host Stroke Awareness Night. Fire fans learned about stroke awareness tips at the Fire Fest pre-match event and during the match via a video PSA featuring Dr. Fernando Testai and the Fire players. UI Health also participated in opening activities, including the coin toss by Dr. Ali Alraj and the first kick by Dr. Testai's son, Martin.

Melissa Angulo tells her story about why she is proud to work at UI Health.

TRANSLATION SERVICES

Clear communication with our patients is key to better health outcomes, compliance, and patient satisfaction. The Joint Commission and the Department of Health and Human Services (DHHS) require the use of qualified interpreters and translation services to ensure culturally sensitive and appropriate interpretation. UI Health Language Support Services provide professional interpreters and translators free of charge.

FIT FLEX OF THE MONTH / HOW DO YOU STAY HEALTHY?

“I enjoy fitness and exercise, especially in a group setting. Running the Ragnar relay race from Madison to Chicago with The UI Health Brainstormers team is a great way to stay in shape AND raise money for our Brain Aneurysm Support Group.”

Caroline Deskin,
Speech-Language Pathologist

“I have always been an avid runner. I have participated in many triathlons and marathons throughout my life. Just recently, I took 2nd place in my age group at the Walter Payton Sweetness Run.”

Mike Smith,
Head of Business Operations,
Division of Transplant
